

Fashion Mood

F/W 2022-23

by Istituto Modartech

Directly from Fashion fairs a fresh perspective on trends and new styles. Istituto Modartech presents its own interpretation of the main trends which stood out at the most important Fashion fairs in the world, including digital events. Fashion Mood F/W 2022-23 focuses on men- women- genderless apparel, footwear and accessories.

ISTITUTO MODARTECH

Istituto Modartech is a higher academic training centre in the Fashion and Communication fields authorized by the Italian Ministry of Education, University and Research – MIUR to issue academic degrees in Higher Education in Art, Music and Dance sectors – AFAM.

In addition, the training offer previews courses legally recognized at European level (EQF standard), with a wide educational offer, as a response to specific needs, aptitudes and goals.

Creativity and talent are guided in an artistic and cultural context which permits to move around in contemporaneity acquiring at the same time specialised and strategic skills. A complete training and a laboratorial approach which has its strength in the teaching staff coming from the academic and world of work, in a continuous dialogue with the professional world and a constant comparison with the industry world, its planning, times and methods.

The values of our teaching methods are based on craftsmanship, technique, technology and sustainable innovation. Where the vision becomes a project, an itinerary of experience, comparison and creative dialogue with the world of work, adopting multidisciplinary work projects and last generation technologies. In a unique territory, in Tuscany, in a context of innovation, culture and design where highly specialized districts are concentrated, Istituto Modartech collaborates with a network of selected partners, extending from Pontedera, today at the center of an industry 4.0 district, through the districts of leather, textiles, clothing and leather goods.
