ISTITUTO MODARTECH

Istituto Modartech is a higher academic training centre in the Fashion and Communication fields authorized by the Italian Ministry of Education, University and Research – MIUR to issue academic degrees in Higher Education in Art, Music and Dance sectors – AFAM.

In addition, the training offer previews courses legally recognized at European level (EQF standard), with a wide educational offer, as a response to specific needs, aptitudes and goals.

Creativity and talent are guided in an artistic and cultural context which permits to move around in contemporaneity acquiring at the same time specialised and strategic skills. A complete training and a laboratorial approach which has its strength in the teaching staff coming from the academic and world of work, in a continuous dialogue with the professional world and a constant comparison with the employment world, its planning, times and methods.

The values of our teaching methods are based on craftsmanship, technique, technology and sustainable innovation. Where the vision becomes a project, an itinerary of experience, comparison and creative dialogue with the world of work, adopting multidisciplinary work projects, last generation technologies, internships and alternating school-work. The training solutions and the academic activities are cut on the most requested profiles on the market, putting the passion, the aptitudes and the growth of each student at the centre of it all.
